RESUME

Artem Petrov

Product Lead with 7+ years of experience in B2C web and mobile products (EdTech, AdTech). I specialize in retention, growing subscription apps and taking products from 0 to 1: 100+ A/B experiments, second-week retention +5 pp, a unit grown from 2% to 15% of WAU. I build AI and LLM into products: content generation, personalization, GenAI features. I manage cross-functional teams of up to 30 people.
